Cadyville, New York 12918-0180

[www.adk46r.org](http://www.adk46r.org)

Dear Donor:

The purpose of our organization is to protect and foster the natural resources within the Adirondack Park and to preserve the wilderness character of the region. We recognize those individuals climbing the 46 Adirondack Peaks and educate our members and the public to use these public lands in a safe and well informed manner. We encourage the enjoyment of the forest preserve in a manner consistent with the preservation of the wilderness. We support programs in trail maintenance, run an Outdoor Skills Workshop, educate aspiring climbers, publish Peaks magazine, and financially support the programs of other conservation groups.

We currently have over 7,800 recorded members with more than 4,500 active members. All officers are volunteers with no paid leadership positions. Our organization relies solely on volunteer efforts and contributions.

We have recently been contacted by Lean2Rescue. This is an unincorporated association of people interested in rebuilding and maintaining structures along the various trails in the Adirondacks. Because they are not a formal entity, they are not equipped to accept donations earmarked for their maintenance and restoration projects. As a 501(c)(3) organization we are willing to accept your donation toward Lean2 Rescue Projects. Your donation will be used to pay for expenses related to the completion of the approved projects.

Lean2 Rescue conducts their projects within the Adirondack Park ("Blue Line"). Below, you are given the opportunity to further restrict your donation to work only within the High Peaks area. While gratefully accepting donations for the regions specified above, we apologize that we cannot accept earmarks directed to projects not yet planned. Please contact Lean2Rescue to propose new projects.

In the event the projects are not completed or in the event the Lean2Rescue group terminates its existence we will retain any donations previously received and use them for our charitable and educational purposes. By signing below, you acknowledge and agree to this understanding and arrangement. Your generous donation is greatly appreciated.

Sincerely,

Philip B. Corell, 46er Treasurer
